Acerca de TAITRA

El Consejo para el Desarrollo del Comercio Exterior de Taiwán (TAITRA) se fundó en 1970 como fruto del esfuerzo conjunto de personalidades provenientes del mundo de los negocios y del Gobierno de Taiwán. Inicialmente, TAITRA recibió el mandato de promover el comercio asistiendo a las firmas locales a expandir sus mercados de ultramar.

A medida que la posición de Taiwán se fortaleció en el ámbito del comercio internacional, creció también el papel de TAITRA en la promoción del comercio. Actualmente, desde su sede central ubicada en el Taipei World Trade Center, TAITRA ofrece un completo espectro de servicios relacionados con el comercio tanto a los empresarios taiwaneses como a los extranjeros.

Sus principales actividades incluyen el Desarrollo de Mercados, Marketing Estratégico, Servicios de Información Comercial, Organización de Exposiciones, Servicios de Asistencia para Convenciones y de e-Comercio (e-Trading). TAITRA responde consultas comerciales, ofrece información comercial actualizada sobre Taiwán y sobre mercados de ultramar, promueve el diseño de nuevos productos, organiza seminarios comerciales y cursos de capacitación y ayuda a los empresarios locales a participar en exposiciones en el extranjero. TAITRA también participa en el desarrollo de una base de alta tecnología en Taiwán así como en la promoción de marcas distintivas de productos del país.

Junto con su organización hermana, el Taiwan Trade Center, Inc. (TTC), y el Taipei World Trade Center (TWTC), TAITRA tiene más de 48 oficinas de representación distribuidas en todo el mundo desde Europa a África, Asia, y Norte y Sudamérica. Asimismo, TAITRA cuenta con 4 oficinas en Taiwán: en Hsinchu, Taichung, Tainan y Kaohsiung.

La dinámica economía de Taiwán ofrece importantísimas posibilidades de negocios. Por otra parte, su ubicación geográfica, su infraestructura y su capital hacen de la isla una base natural de lanzamiento para las operaciones en la zona de Asia-Pacífico. TAITRA, con sus instalaciones, experiencias y más de 600 profesionales especializados se encuentra a su disposición para asistirlo en sus negocios con Taiwán.

Products
Electrolytic Capacitor (Dip & Chip Type),
Ceramic Capacitor (Dip & Chip Type),
Film Capacitor,
Resistor (Dip & Chip Type)

Jackcon Capacitor Electronics Co., Ltd, our company has been established for over 30 years in Taiwan. We are a well-developed manufacturing company which specializes in the production of electrolytic capacitors and ceramic capacitors. Our factory is fully automated and ISO 9001: 2008 certified to assure production consistency. In order to maintain our quality, we utilize a computerized QC system as well. Our main products are electrolytic and ceramic capacitors; in addition, we also provide film capacitors, resistors, varistors and so on.
