Virtual fairs: IEFeria & IEMaq

An exclusive and innovative trade fair where your company must be present. Take this opportunity and use the advantages that the Virtual Exhibition can provide!

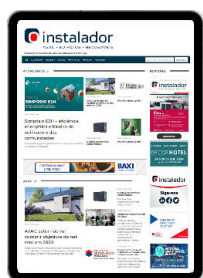

O Instalador magazine has launched the first Virtual Exhibition in Portugal, a permanent, 100% online exhibition centre for professionals, open 24 hours a day, 7 days a week, 365 days a year.

Hosted at www.oinstalador.com, O Instalador's Virtual Exhibition allows you to exhibit your products/services, catalogues and videos to an unlimited number of visitors. It is the ideal meeting point to interact with dozens of companies in your sector, gathered in a single place to provide a valuable professional opportunity.

Digital magazines

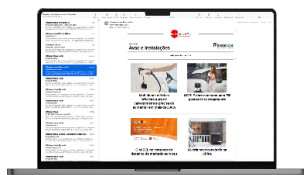

Digital magazines provide always updated information, accessible from any computer, tablet or smart-phone. News, reports, interviews, technical articles, blogs, news, calendar of events and exhibitions, a collection of high quality information offered to all companies and sectorial professionals.

Newsletters

Sent by email to users who show interest in the sector with address validated and with authorization for the reception of newsletters. A high quality B2B database, with more than 708.000 users classified by sector.

Air conditioning and Facilities Sector: +6.800 registered users

Social networks

The contents published in the e-magazines are disseminated and shared daily in the sectorial accounts of Twitter and Facebook.
