Presentamos la nueva colección de Agora “Moments”, cuya estrella principal son los nuevos Agora Twitell. Twitell, dos telas en una, un tejido tweed con un reverso de cada color. Le mostraremos combinaciones ingeniosas, únicas y divertidas, para que combine y disfrute al vestir su casa o jardín. Podrá hacer combinaciones con ambas caras o con la amplia gama de lisos y texturas Agora.

Reforzamos nuestra apuesta por los lisos Mouliné, colores lisos creados con hilos bicolores, unas telas sobrias y elegantes que realzan lo que verdaderamente importa.

Las nuevas texturas “Texture” también son una apuesta fuerte, una tela de alto gramaje y tacto agradable que destaca el lado más natural y puro de nuestros tejidos.

We introduce you our new collection of Agora “Moments” whose main attraction is the new Agora Twitell. Twitell, two fabrics in one, tweed fabric made with reversible colors on the front and back side. We will show ingenious, unique and fun combinations to make you enjoy dressing up your home and garden. You can make different combinations with Twitell but also with the wide range of Agora plain colors and textures.

We reinforce our bet for Mouliné plain colors created with two color threads, sober and elegant fabrics that enhance what really matters.

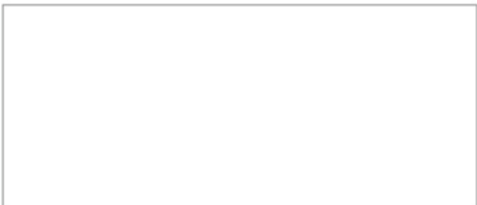

New “Texture” is also a strong commitment, a heavy weight fabric and soft texture that highlights our tissues naturalness and pureness.
