CLONE

Inspirada en la perfecta composición de una colmena, esta estructura metálica recubierta de tela blanca elástica puede instalarse como una sola pieza o pueden 'clonarse', conectándolas y creando múltiples combinaciones.

CLONE

The perfect composition of a bee-house inspired CLONE. You may propose a single piece, or multiply the connecting pieces and create never-ending solutions for any interior, personalizing each space with your own composition. Removable stretching fabric covering a metal frame. Suitable for horizontal, vertical or sloping surfaces.
