## Desbrozadora 4x4 Grandes Áreas

Esta máquina está pensada para grandes áreas de desbroce, amplias zonas para limpiar, campos de golf, autopistas, grandes parques, terreno forestal, etc.

Opcionalmente se puede equipar con un cabrestante frontal para salir o entrar en lugares de muy difícil acceso.

### EXTREM 4X4

|                     |                         |
|---------------------|-------------------------|
| Modelo              | EXTREM 4X4 - 110 /132   |
| Motor               | KAWASAKI 26 cv.         |
| Carburante          | Gasolina                |
| Transmisión         | Hidrostática            |
| N/Trasero           | 20x10.00-8              |
| N/Delantero         | 16x6.50-8 TR            |
| Bloqueo Diferencial | Si                      |
| Plataforma          | 3 rotores (6 cuchillas) |
| Ancho de Trabajo    | 110 cm. y 132 cm.       |
