Distribution: Manutención & Almacenaje is a technical / professional publication for specialists in logistics and maintenance. Readers will find information related to the handling of products and their storage. Also related to new technologies applied to the world of the supply chain, coding and identification solutions, labeling, packaging and the latest operations in the immologistic market, among others. It is addressed to operations, logistics or production managers, purchasing managers and warehouse managers.

Virtual Fairs

The Interempresas virtual fair, made up of more than 20,000 exhibiting companies organised in more than 90 sectoral halls, is the world's most important permanent internet exhibition centre for professionals in the Spanish-speaking world. Interempresas.net has its audience audited by the Oficina de Justificación de la Difusión (OJD), whose monthly reports are public and can be consulted online.

Digital Magazines

Digital magazines provide always updated information, accessible from any computer, tablet or smart-phone. News, reports, interviews, technical articles, blogs, news, calendar of events and exhibitions, a collection of high quality information offered to all companies and sectorial professionals.

Newsletters

Sent by email to users who show interest in the sector with address validated and with authorization for the reception of newsletters. A high quality B2B database, with more than +1M users classified by sector.

Logistic sector: +21.200 registered users.

Social Networks

The contents published in the e-magazines are disseminated and shared daily in the sectorial accounts of Twitter and LinkedIn.

Related Magazines: Logística integrada, Intercamión, TecnoPack.
